

IKEA India Playwright Automation Test Cases

Homepage & Navigation

TC ID	Test Case Description
TC_001	Validate homepage & navigation scenario 1
TC_002	Validate homepage & navigation scenario 2
TC_003	Validate homepage & navigation scenario 3
TC_004	Validate homepage & navigation scenario 4
TC_005	Validate homepage & navigation scenario 5
TC_006	Validate homepage & navigation scenario 6
TC_007	Validate homepage & navigation scenario 7
TC_008	Validate homepage & navigation scenario 8
TC_009	Validate homepage & navigation scenario 9
TC_010	Validate homepage & navigation scenario 10
TC_011	Validate homepage & navigation scenario 11
TC_012	Validate homepage & navigation scenario 12
TC_013	Validate homepage & navigation scenario 13
TC_014	Validate homepage & navigation scenario 14
TC_015	Validate homepage & navigation scenario 15

Authentication UI Validation

TC ID	Test Case Description
TC_016	Validate authentication ui validation scenario 1
TC_017	Validate authentication ui validation scenario 2
TC_018	Validate authentication ui validation scenario 3
TC_019	Validate authentication ui validation scenario 4
TC_020	Validate authentication ui validation scenario 5
TC_021	Validate authentication ui validation scenario 6
TC_022	Validate authentication ui validation scenario 7
TC_023	Validate authentication ui validation scenario 8
TC_024	Validate authentication ui validation scenario 9
TC_025	Validate authentication ui validation scenario 10
TC_026	Validate authentication ui validation scenario 11
TC_027	Validate authentication ui validation scenario 12

TC ID	Test Case Description
TC_028	Validate authentication ui validation scenario 13
TC_029	Validate authentication ui validation scenario 14
TC_030	Validate authentication ui validation scenario 15

Search Functionality

TC ID	Test Case Description
TC_031	Validate search functionality scenario 1
TC_032	Validate search functionality scenario 2
TC_033	Validate search functionality scenario 3
TC_034	Validate search functionality scenario 4
TC_035	Validate search functionality scenario 5
TC_036	Validate search functionality scenario 6
TC_037	Validate search functionality scenario 7
TC_038	Validate search functionality scenario 8
TC_039	Validate search functionality scenario 9
TC_040	Validate search functionality scenario 10
TC_041	Validate search functionality scenario 11
TC_042	Validate search functionality scenario 12
TC_043	Validate search functionality scenario 13
TC_044	Validate search functionality scenario 14
TC_045	Validate search functionality scenario 15

Product Listing & Categories

TC ID	Test Case Description
TC_046	Validate product listing & categories scenario 1
TC_047	Validate product listing & categories scenario 2
TC_048	Validate product listing & categories scenario 3
TC_049	Validate product listing & categories scenario 4
TC_050	Validate product listing & categories scenario 5
TC_051	Validate product listing & categories scenario 6
TC_052	Validate product listing & categories scenario 7
TC_053	Validate product listing & categories scenario 8
TC_054	Validate product listing & categories scenario 9
TC_055	Validate product listing & categories scenario 10
TC_056	Validate product listing & categories scenario 11

TC ID	Test Case Description
TC_057	Validate product listing & categories scenario 12
TC_058	Validate product listing & categories scenario 13
TC_059	Validate product listing & categories scenario 14
TC_060	Validate product listing & categories scenario 15

Filters & Sorting

TC ID	Test Case Description
TC_061	Validate filters & sorting scenario 1
TC_062	Validate filters & sorting scenario 2
TC_063	Validate filters & sorting scenario 3
TC_064	Validate filters & sorting scenario 4
TC_065	Validate filters & sorting scenario 5
TC_066	Validate filters & sorting scenario 6
TC_067	Validate filters & sorting scenario 7
TC_068	Validate filters & sorting scenario 8
TC_069	Validate filters & sorting scenario 9
TC_070	Validate filters & sorting scenario 10
TC_071	Validate filters & sorting scenario 11
TC_072	Validate filters & sorting scenario 12
TC_073	Validate filters & sorting scenario 13
TC_074	Validate filters & sorting scenario 14
TC_075	Validate filters & sorting scenario 15

Product Details

TC ID	Test Case Description
TC_076	Validate product details scenario 1
TC_077	Validate product details scenario 2
TC_078	Validate product details scenario 3
TC_079	Validate product details scenario 4
TC_080	Validate product details scenario 5
TC_081	Validate product details scenario 6
TC_082	Validate product details scenario 7
TC_083	Validate product details scenario 8
TC_084	Validate product details scenario 9
TC_085	Validate product details scenario 10

TC ID	Test Case Description
TC_086	Validate product details scenario 11
TC_087	Validate product details scenario 12
TC_088	Validate product details scenario 13
TC_089	Validate product details scenario 14
TC_090	Validate product details scenario 15

Cart / Bag Functionality

TC ID	Test Case Description
TC_091	Validate cart / bag functionality scenario 1
TC_092	Validate cart / bag functionality scenario 2
TC_093	Validate cart / bag functionality scenario 3
TC_094	Validate cart / bag functionality scenario 4
TC_095	Validate cart / bag functionality scenario 5
TC_096	Validate cart / bag functionality scenario 6
TC_097	Validate cart / bag functionality scenario 7
TC_098	Validate cart / bag functionality scenario 8
TC_099	Validate cart / bag functionality scenario 9
TC_100	Validate cart / bag functionality scenario 10
TC_101	Validate cart / bag functionality scenario 11
TC_102	Validate cart / bag functionality scenario 12
TC_103	Validate cart / bag functionality scenario 13
TC_104	Validate cart / bag functionality scenario 14
TC_105	Validate cart / bag functionality scenario 15

API & Session Validation

TC ID	Test Case Description
TC_106	Validate api & session validation scenario 1
TC_107	Validate api & session validation scenario 2
TC_108	Validate api & session validation scenario 3
TC_109	Validate api & session validation scenario 4
TC_110	Validate api & session validation scenario 5
TC_111	Validate api & session validation scenario 6
TC_112	Validate api & session validation scenario 7
TC_113	Validate api & session validation scenario 8
TC_114	Validate api & session validation scenario 9

TC ID	Test Case Description
TC_115	Validate api & session validation scenario 10
TC_116	Validate api & session validation scenario 11
TC_117	Validate api & session validation scenario 12
TC_118	Validate api & session validation scenario 13
TC_119	Validate api & session validation scenario 14
TC_120	Validate api & session validation scenario 15

Responsive UI Validation

TC ID	Test Case Description
TC_121	Validate responsive ui validation scenario 1
TC_122	Validate responsive ui validation scenario 2
TC_123	Validate responsive ui validation scenario 3
TC_124	Validate responsive ui validation scenario 4
TC_125	Validate responsive ui validation scenario 5
TC_126	Validate responsive ui validation scenario 6
TC_127	Validate responsive ui validation scenario 7
TC_128	Validate responsive ui validation scenario 8
TC_129	Validate responsive ui validation scenario 9
TC_130	Validate responsive ui validation scenario 10
